15. In this picture we can see a boy is watering plants in his house garden. This is good habit for children to learn about importance of trees. Children also enjoy doing this. With a small indoor plant, young children can learn how to water properly. Give children a spray bottle or pipe to help them not over-water the plants, and avoid spills. Trees provide us fresh water to drink, air to breathe, shade, and food for humans, animals, and plants.

To,

The Editor,

Deccan Herald,

Belgaum.

Respected sir,

Subject: Regarding bad conditions of roads and drainage.

In our village there most of the roads and drainages are damaged. Flies and mosquitoes have been troubling us. I request you to draw the attention of concerned authorities to maintain well.

Thanking You,

Yours faithfully,

Sanjay / Sudha
