

## 9th class activity 2

### Learning Outcome 9.1

Listens to excerpts, dialogues, poems, news, speeches, commentaries of sports and games, debates on TV and radio and expresses opinions about them

### Activity 2: Listening to interactions and dialogues Interaction between a physician and a patient.

Doctor: Yes, tell me, what is the problem?

Patient: Doctor, I am Prakash. I have not been feeling well since yesterday.

Doctor: Yes, Mr. Prakash, what's the matter?

Patient: I have had body pain, cold, cough and fever since yesterday evening.

Doctor: Oh, I see! Please come to the consulting room for a check-up.

Patient: Yes, doctor.

Doctor measures patient's temperature using a thermometer

Doctor: You have a mild fever, Mr. Prakash. I will prescribe some medicines for you.

Patient: Doctor, the 3rd wave of the pandemic is around, should I get tested for Covid?

Doctor: That's not needed for now, Prakash. Let us see for the next three days.

Patient: Sure, doctor.

Doctor: Along with the medication, perform saline gargling and inhale steam twice a day.

Patient: Ok, thank you doctor.
