Activity 6:

Write a few sentences about the picture.

Answer:

One day we all friends went to a beautiful park. The park was very near to a small lake. My two friends started playing ball. I am very hungry. So I started to eat banana and apple. My other friend was talking with me. We went to the park with my lovely puppy. We all enjoyed a lot.

On the path, we are greeted by the sound of birds and dragonflies traveling through the sky. Squirrels run up and down trees already preparing for the colder weather. Wind rustles the leaves and gifts me a cool breeze. Why did we have to choose such a warm day for this?

Before we even know it, we are granted the view of the wide-open field in front of us. Off to the side, we hear the rushing water of the stream. We walk to the middle of the field and set out a large blue blanket. My friends will be here any moment, so I must move quickly.
