Many people go there in the morning or in the evening for a walk to enjoy the greenery and breathe fresh air. Some go in groups to do exercise and yoga together.

One day we are going to school. On that time, we saw an injured dog on the road. I took that dog and try to do first aid treatment. We must help the any animals and birds. It gave me an immense pleasure.

Take a dog from the street into our own home. If that's not possible, take care of his food, medicines and vaccination. Do not buy your pet from a pet store or a breeder.
