Q.XIII

37. c) Online Education

Introduction:

The outbreak of the COVID-19 pandemic resulted in tremendous change in the traditional educational system, wherein laptops and online classes replaced books and classrooms.

It resulted in the digital revolution in the field of education. Digital education is the innovative use of technology and digital devices throughout the teaching and learning process and is also known as Technology Enhanced Learning (TEL) or e-learning. With the help of digital education, students can study from anywhere worldwide.

Conclusion:

Digital education is the innovative method of using modern digital applications to improve and enhance the process of teaching and learning.

Q.XIV

38. From,
Virat/Vani
Bhagat School
Sarasamba, Kalaburagi

October 10, 2022

To,
The P.DO
Grampanchayat
Sarasamba, Kalaburagi

Respected sir,

Subject: Requesting to provide pure drinking water in our area.

I am Virat/Vani. Resident of Sarasamba, wishes to bring into your kind attention about the water supply condition in our area. The water which grampanchayat supplies in our area is not good to drink. It is completely unhealthy and the people in our area are suffering from many diseases due to bad drinking water. On the behalf of my whole area, I kindly request you, sir, please, consider this problem very serious and take immediate action to supply pure drinking water in our area.

Thanking you,
Yours faithfully
