Rewrite the passage after changing the highlighted verbs from the simple present to the simple past tense.

Jani wakes up at 5.00 a.m. when the alarm clock on his phone buzzes. He jumps out of bed and turns it off before it wakes up anyone else. He switches on the light because it is still dark. He uses the bathroom; then looks for a clean shirt to wear. He gets dressed and brushes his hair. He goes into the kitchen and makes coffee. Then he packs his bag for work and makes some sandwiches for his lunch. While drinking coffee, Jani checks his mail on his smart phone. He put on his shoes and jacket just before leaving the house. When he leaves home, he makes sure to switch off all lights and fans. He locks the front door and walks to the colony gate to wait for the pickup taxi. The taxi arrives at 6:00 a.m., and Jani gets into the taxi. He greets his colleagues who are in the car. The taxi drops them at work by 7:00 a.m.
