

9th class worksheet 49

Learning Outcome 9.8

Attempts creative writing like short poems, jingles, and stories and narratives showing sensitivity of gender, environment, and appreciation of cultural diversity.

Activity 49:

Showing sensitivity of gender and environment, and appreciation of cultural diversity.

Activity 49.1: Gender Sensitivity.

Gender sensitivity

Stress the importance of treating everyone fairly and equally regardless of their gender. Domestic work or childcare are everyone's duty there is no such thing as this is woman's work this is man's work. Refrain using phrases of like don't act like a girl or be a boy. Avoid negative comments on their looks like facial features, weight, skin colour etc. Gender equality should be taught when one is young. Parents, family members and teachers also play important roles in teaching gender equality and respect to the children. Use gender neutral language. Ask all to participate in a variety of classroom chores regardless of their gender. Use project based learning. Give knowledge that same salary for same work. Watch out for domestic violence.

A. Read the statements, and then complete the table.

Characteristics/ Behaviour	Agree/ Disagree	Reason
Most drivers in India are men.	Agree	Because of social custom
Caring and nurturing of babies is a woman's responsibility.	Disagree	Men also have responsibility.
Women should not go out of their homes after dark.	Disagree	Women also have equal freedom.
Scientists are men.	Disagree	Most of the women also become scientist.
Women cannot carry heavy loads; they are weak.	Agree	It has scientific reason.
Men have short hair.	Agree	Its common social custom.
Cooking and cleaning come naturally to women.	Disagree	Most of men also cooks.

B. Writing task

Write how to bring gender equality:

Answer: What is Gender Equality?

Gender equality or sexual equality is the state when all human being can have easy and equal access to all the opportunities, resources, etc., in spite of their biological differences. They should be granted equality in developing their own future, equality in economic participation, equality in the way of lifestyle, equality in granting them the freedom to make decisions, equality in almost everything they go through in their life.

1. Equality at Home
2. Equal Pay for Equal Work
3. Zero Tolerance for Sexual Harassment and Gender-Based Bias
4. Economic Equality
5. Get women into power.

Activity 49.2: Environment sensitivity.
