35. One day, a rich merchant came to Birbal. He said to Birbal, "I have seven servants in my house. One of them has stolen my bag of precious pearls. Please find out the thief". So Birbal went to the rich man's house. He called all the seven servants in a room. He gave a stick to each one of them. Then he said, "These are magic sticks. Just now all these sticks are equal in length. Keep them with you and return tomorrow. If there is a thief in the house his stick will grow an inch longer by tomorrow". The servant who had stolen the bag of pearls was scared. He thought, "If I cut a piece of one inch from my stick, I won't be caught". So, he cut the stick and made it shorter by one inch. The next day Birbal collected the sticks from the servants. He found that one servant's stick was short by an inch. Birbal pointed his finger at him and said, "Here is the thief". The servant confessed to his crime. He returned the bag of pearls. He was sent to jail.

36. Our country is God's miraculous work because the physical features of the country are such that there is natural protection. On three sides there is the sea and in the north, there is the mountain range of the Himalayas. These features are not merely for protection. They are things of beauty and they also contribute towards the economic growth of the nation. The man-made buildings like the stone-cut temples match the natural beauty and talk about the craftsmanship of the citizens of yesteryears. The Indians who fought for their freedom had exhibited their spirit of patriotism too. It is not that the Indians are known for their glory of the past alone. Modern India to has witnessed technological advancement. Thus India has had its due share of glory.

Respected sir,

Subject: About the problems of water shortage and supply of polluted water in our area.

I am the residents of R.G. Colony. For the past three months, we have been facing acute water shortage. Water is being supplied to our colony for only three hours a day and that too at a very low pressure and this is resulting in a lot of inconvenience to all the residents, and supply of polluted water in our area. The summer season is at its peak and the demand of water is increasing with each passing day. Despite our repeated complaints about the problem of water scarcity, no efforts have been made by the concerned authorities to offer any relief from this problem.

I request you to kindly solve the problem as soon as possible.

Thanking you

Yours sincerely

Manu
